Principal's Weekly Update

There has been a lot happening this week at Officer Secondary as the term really gears up. Firstly, what a pleasure it was to see all our year 7's head off to their transition camp at Forest Edge. Everyone looked so excited as they left on Wednesday, and I'm sure there will be plenty of great stories to share, and memories that will last. Also, I suspect a few tired folks, so make sure you get plenty of rest over the weekend.

This week we held our 2025 College DUX assembly. It was such a privilege to welcome the returning students and award them with their DUX trophies. It was lovely to see their parents attend as well. The strong partnerships over the years have been critical to supporting the students, and to celebrate with you all was wonderful. Please see below our Dux recipients.

I'm looking forward to our swimming carnival next week. All the students have completed their signups for the events, and the teacher "dunking" is surely gaining a lot of interest among the kids. Get dressed up for your house and cheer on those who are competing in the events. This is one of three major events this year and contributes to the overall "Woody" cup which will be awarded to the winning house at the end of the year. Good luck to all students!

School Photos is set for Monday 16th March. We'll be sending out the individual ordering fliers over the coming weeks. Check out what SchoolPix are offering this year [HERE](#). We will have the class portraits this year that will create the class composites for the group page. Please make sure you are in the correct school uniform, if the students are not in uniform they will not be able to participate in the photos. Please see our Student Uniform Policy located on the College website for more information.

We have some vacancies on our College Council this year. College Council elections have been published, and we are seeking parent members to join in 2026. Feel free to contact Mrs Aalbers at the College for further information about what is involved in being part of our college council.

Finally, curriculum contributions are still live on Compass. These payments are critical for us to ensure we are able to provide materials and experiences that are above and beyond the basic. You can make payments via Compass, or you can contact the office on 5942 4000.

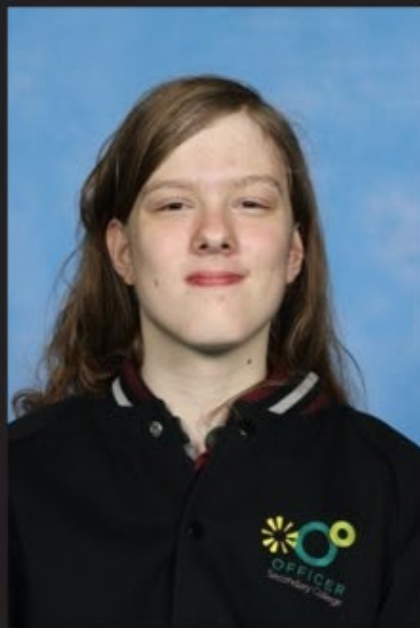

Have a great weekend everyone and I'll be looking forward to reporting back next week.

Kind Regards,

Beau Rawlyk
Principal

2026 begins with a house point frenzy!

Over the first two weeks of classes there have been an incredible 6792 positive behaviour entries logged on Compass. This has been a mixture of B's, golden Bs and value cards.

Leading the way, are our brand new Year 7 students with 2290 entries. What a wonderful start to their secondary school journey, and a wonderful contribution to their new learning communities. Well done to every student across the school who has received positive points. Parents can view these using their Compass accounts.

So, which learning community has taken the early lead in the House Cup for 2026?

- First place: 3969 points - Murrumbula
- Second place: 3539 points - Willum
- Third Place: 3086 points - Bunjil
- Fourth Place: 2622 points - Dorrong

Keep up the positive behaviour, keep the positive points coming.

Mrs Andrews 😊

Year 10 Work Experience

As part of the year 10 Curriculum all year 10s are expected to organise work experience. Work experience provides students with an opportunity to feel for what working life looks like in a job they are interested in. It will also support students to make informed decision making when choosing their Senior school pathway and subjects.

The work experience dates are **Week 3, of Term 2 - the 4th - 8th of May**. Check Mr Quinn's Compass post for your links to the Work Experience Forms.

Work experience forms are due back by the end of Term 1.

If you have any questions, or need support please email careers@officersc.vic.edu.au
