Attention Year 7 and 9: NAPLAN

Beginning Wednesday 11th March all year 7 and year 9 students will be involved in the NAPLAN testing that is conducted Nationwide. All students will need to ensure they have a charged laptop and headphones ready for the testing period. Please keep an eye out for Compass notifications in the next week for further information. Student should also make sure they have the locked-down browser installed on their computer, which is available for download via the Compass star. If you need some trouble shooting for the locked-down browser, please see our IT team.

School Photos:

School Photos are Monday 16th March. Booking fliers have now been received and will be distributed next week to students. You do not need to wait for the fliers to book, however. You can order your photos by scanning the QR code that I have attached at the bottom of my update. Check out what SchoolPix are offering this year [HERE](#).

Mobile Phone & Payment at the canteen

As mentioned in my last update, **the canteen will not be accepting payment for food via phone**. All Victorian Government schools are required to enforce the mobile phone policy which states that mobile phones must be locked away during the school day. From next week, our canteen provider, Bocca, has been given instructions not

to accept mobile payments. Students can use their phone to pre-order their lunch in the morning before school, or inline at home. Alternatively, the canteen will still accept cashless payments via debit card. I thank all families in advance for their support on this.

Have a great weekend everyone and I'll be looking forward to reporting back next week.

Kind Regards,

Beau Rawlyk
Principal

The group spent time quietly watching the horses, noticing how they interact, communicate, and move together.

Week 1

Our students have begun their six-week journey in the Edenhope Horse Wisdom Program®, an equine-assisted learning experience designed to support emotional awareness, connection, and personal growth.

In Week 1, students were introduced to the horses, explored the beautiful natural environment, and learned about the foundations of regulation, grounding, and observing animal behaviour. The group spent time noticing herd dynamics, exploring safe boundaries, and beginning to build confidence around the horses.

Students had the chance to approach, stand with, and gently interact with the horses under guidance, a calm and confidence-building first experience.

To ensure the safety of all pedestrians, students and members of our school community, we ask that you:

- Adhere to the road rules: Do not block the flow of traffic or allow students to get in and out of a vehicle while in the flow of traffic, even if the vehicle is stopped.
- Park only in designated areas: Parking is not permitted on nature strips, no-stopping zones, no-parking zones, bus zones, or areas reserved for staff. Please adhere to all signage and the road rules.
- Follow drop-off and pick-up procedures: Use the designated drop-off and pick-up zones to ensure a smooth and safe flow of traffic.
- Be mindful of pedestrians: Follow directions from School Crossing Supervisors and take extra caution during peak times when children are arriving or leaving school.
- Be respectful: Council Parking Officers are required to conduct regular patrols around schools to ensure safety. Please be respectful, and courteous.

Drivers are advised that any offences detected may lead to the issuing of an infringement notice. This may be affixed to the windscreen or posted via mail.
