Tuesday 17th March, 5pm-7pm

LOCATION:
Officer Secondary College

All families welcome.

Registrations essential via Trybooking.
Link available on the college website.

Principal's Weekly Update

Quote of the week:

"Don't sit down and wait for the opportunities to come. Get up and make them"

Week 7 Update:

Week 7 has flown by, particularly with the shortened week. I hope all families were able to enjoy the beautiful weather over the recent long weekend and spend some quality time together. This week marked the beginning of NAPLAN for our Year 7 and 9 students. While there were some nationwide technical issues on Wednesday, we were able to resume testing smoothly on Thursday. It was fantastic to see how engaged, calm and focused our students were throughout the process. Their approach reflects the culture of effort and aspiration we continue to build together as a school community. At Officer Secondary College, we have consistently seen our students perform above the state average, and I am looking forward to seeing how this year's cohort compares. More importantly, I am excited about the opportunity to celebrate the hard work, growth and achievement of our students. However, while NAPLAN is an important checkpoint, it is only one measure of success. A single test never tells the full story of a student's ability, potential or future. What truly matters is the mindset our young people bring to their learning each day and the willingness to keep improving, to challenge themselves, and to pursue excellence in everything they do. As teachers we are always looking for the 1% improvements daily. As families, your encouragement and support play a vital role in this journey. I am a true believer that the home-school partnership is critical to promote effort, resilience and high expectations. All our students are capable of achieving remarkable things. I encourage all of our students to continue embracing every opportunity to learn, grow and strive for their personal best. When effort and aspiration are combined, great things inevitably follow.

School Photos:

School Photos are this Monday 16th March. Please make sure you are on time and looking sharp. Although it is not necessary to have the *academic* uniform, students must come in any form of the school uniform. **Students out of uniform will not be photographed.**

Orders are able to be made now via the individual ordering fliers sent home with students, or via accessing the QR Code shown below.

NOTE – All Sibling orders must be placed prior to 8:00am on 16th March.

Mobile Phone & Payment at the canteen

Another reminder that the **canteen will not be accepting payment for food via phone**. All Victorian Government schools are required to enforce the mobile phone policy which states that mobile phones must be locked away during the school day. Our canteen provider, Bocca, has been given instructions **not to accept mobile payments**. Students can use their phone to pre-order their lunch in the morning before school, or inline at home. Alternatively, the canteen will still accept cashless payments via debit card.

See you all next week!

Beau Rawlyk
Principal

Year 10 Work Experience

As part of the year 10 Curriculum all year 10s are expected to organise work experience. Work experience provides students with an opportunity to feel for what working life looks like in a job they are interested in. It will also support students to make informed decision making when choosing their Senior school pathway and subjects.

The work experience dates are **Week 3, of Term 2 - the 4th - 8th of May**. Check Mr Quinn's Compass post for your links to the Work Experience Forms.

Work experience forms are due back by the end of Term 1.

If you have any questions, or need support please email careers@officersc.vic.edu.au

School Holiday University and TAFE Events

During the School holidays a range of University and TAFE's will be running events and activities on campus.

See Mr Quinns Compass post for more information. Universities running programs:

- The University of Melbourne
- Monash University
- RMIT
- Swinburne
- Deakin
- Chisholm Institute
- Australian Catholic University (ACU)

This is a good opportunity to start exploring your post school study options.

Many of these events are extremely popular and will book out, so register as early as possible

You Are Invited To

Masquerade
Ball

THURSDAY, 4TH OF JUNE, 2026
