Principal's Weekly Update

Quote of the week:

"Hold yourself responsible for a higher standard than anybody else expects of you"

Term 2 – Week2:

Week 2 has come and gone! It's been unusually warm weather too for this time of year which has been nice. Next week we'll be seeing many of the year 10s participate in work experience. It will be a great opportunity for each of them to engage in some learning of real-life skills in the workplace and get a taste of what an adult working-life looks like. I can't wait to hear back from them about their experiences – Good luck to all year 10s next week.

I am aware there is some uncertainty surrounding the proposed AEU industrial action and what this may mean for our College. On Friday, I will receive confirmation of staff participation, which will allow us to finalise plans for Thursday 7th May. I will communicate these arrangements with families early next week, by Monday or Tuesday at the latest. Please be aware that we have planned for the canteen to be closed on this day as well. I appreciate your patience and support as we work to minimise disruption and ensure the best possible outcomes for our students.

I hope you all have a lovely weekend, and I look forward to reporting back next week.

Litter in the yard:

This week, I have been disappointed by a noticeable decline in how some students are caring for our school grounds. We are incredibly fortunate to have such well-maintained and attractive facilities, and it is important that we all take shared responsibility for keeping them that way. Unfortunately, we have seen an increase in litter across a number of areas, including in garden beds and open spaces. At assembly, I spoke with students about this and made it clear that if we do not see improvement, certain areas of the yard may need to be made

temporarily out of bounds. We know that when students take pride in their environment, it reflects positively on our whole community. I ask for your support in reinforcing this message at home by having a conversations about how respect, responsibility, and care can make a significant difference.

Save the Date:

Our team are hard at work planning for the 2027 course selection process. That's right, 2027! Please save the following dates in your calendar:

- **22/5** – KLD subject area expo
- **27/5** – Cardinia VET Expo – TO be held at the Cardinia Cultural Centre
- **22/6** – Year 9 into 10 Course Counselling
- **23/6** – Year 10 into 11 Course Counselling

Kind Regards,
Beau Rawlyk
